Heroes for Families Annual Partnership

Join our exclusive group of partners who champion the mission and initiatives of Methodist Family Health Foundation.

One comprehensive gift can support our greatest needs, the annual Southern Silks Stakes event and our Share the Light partnership.

As a Hero for Families, you would help Arkansans in our care who experience abandonment, abuse and neglect or struggle with psychiatric, behavioral and emotional issues.

Methodist Family Health provides a range of mental health treatment and therapy options for our clients and their families regardless of their religious affiliation. Services include:

- Methodist Behavioral Hospitals,
- Psychiatric Residential Treatment Facilities,
- Qualified Residential Treatment Programs (formerly known as group homes),
- Arkansas Center for Addictions Research, Education & Services (Arkansas CARES),
- Therapeutic Day Treatment School (K-12),
- Kaleidoscope Grief Center,
- Outpatient Counseling Clinics &
- School-Based Counseling Programs.

The Foundation provides the best possible care by supplying necessities and funding programs that help our clients heal. Fulfilling these needs has a huge impact on those in our care as they rebuild after enduring trauma or mental illness.

Methodist Family Health Foundation is an independent tax exempt 501(c)3. Through financial and in-kind contributions, we serve 4,000+ individuals and their families each year.
