## Share the Light Partnership Opportunities

For 125 years, we have been rebuilding the lives of Arkansans who experience abandonment, abuse and neglect or struggle with psychiatric, emotional and behavioral issues.

Those in our care have seen the dark.  
YOU can help illuminate the path forward.

Be the spark that provides peace, stability & hope  
for the children & families in our care!

Methodist Family Health provides a range of mental health treatment and therapy options for our clients and their families regardless of their religious affiliation. Services include:

- Methodist Behavioral Hospital,
- Psychiatric Residential Treatment Facilities,
- Qualified Residential Treatment Programs (formerly known as group homes),
- Arkansas Center for Addictions Research, Education & Services (Arkansas CARES),
- Therapeutic Day Treatment School (K-12),
- Kaleidoscope Grief Center,
- Outpatient Counseling Clinics &
- School-Based Counseling Programs.

The Foundation provides the best possible care by supplying necessities and funding programs that help our clients heal. Fulfilling these needs has a huge impact on those in our care as they rebuild after enduring trauma or mental illness.

Methodist Family Health Foundation is an independent tax-exempt 501(c)3 nonprofit. Through generous financial and in-kind contributions, we serve 4,000+ individuals and their families each year.
