and Learn More HERE**

HOW TO PLAY

Purchase betting bucks before or during the event.

Clearly print your full name on each betting buck.

Place bets at any of the betting windows, which are color coded to the sponsor horses competing in each race.

Place bets on multiple horses to increase chances of winning prize.

Post times for 5 races will be announced throughout the evening with time for betting prior to each.

Jockeys selected in advance by table sponsors will take their places on the track for designated races.

Jockeys will advance at the roll of dice, which indicate jockey color and number of spaces to move.

The jockey who crosses the finish line first rides the WIN horse.
The jockey who crosses second rides the PLACE horse.
The jockey who crosses third rides the SHOW horse.

At the end of each race, 1 betting buck will be drawn from bets placed for each of the Win, Place and Show levels.

The person* whose name is on each drawn betting buck will be awarded a prize according to the level they won.

Must be present to win.

HELPING ARKANSANS RACE TO A BETTER FUTURE

Southern Silks Stakes supports Methodist Family Health's mission to provide the best possible care for Arkansans who experience abandonment, abuse & neglect or struggle with psychiatric, behavioral & emotional issues.

Event proceeds fund transportation assistance for the clients & families in our care who struggle to afford the cost of getting to therapy; Kaleidoscope Grief Center's bereavement support groups and therapeutic outings; and Camp Healing Hearts, a free camp open to any child who has experienced the death of a loved one.

This year's event will also help provide funds for Arkansas CARES, Methodist Family Health's unique substance use recovery program for pregnant women and mothers. Women and their children age 11 and under can stay together to receive therapy. This family-centered approach helps create healthier families during and after treatment.
