

This holiday season, your generosity is more than a
donation.

It's a light that has the power to change a life.

A light that helps a child feel safe.

A light that helps a teenager find their way forward.

A light that gives a family the care, compassion, and
support they need to heal.

Your support of Methodist Family Health Foundation
helps those in our care discover that their story is bigger
than the trauma they've experienced.

With your generosity, lives can be transformed
and futures can be filled with possibility.

You have the power to bring light
into someone's darkest moments.

When you give light, you give hope.

And with your help, hope can shine brighter than ever.

share THE LIGHT
